

Vista la legge 7 marzo 1985, n. 76, e successive modificazioni, concernente il sistema di imposizione fiscale sui tabacchi lavorati;

Visto il decreto legislativo 3 febbraio 1993, n. 29, così come modificato dal decreto legislativo 31 marzo 1998, n. 80;

Visti i decreti ministeriali in data 31 luglio 1990 e 16 luglio 1991, adottati di concerto con il Ministro della sanità, con i quali sono state dettate specifiche disposizioni tecniche per il condizionamento e l'etichettatura dei prodotti del tabacco conformemente alle prescrizioni delle direttive del Consiglio delle comunità europee n. 89/622/CEE;

Visto l'art. 5 del suindicato decreto interministeriale del 31 luglio 1990, che dispone la pubblicazione annuale nella *Gazzetta Ufficiale* dei contenuti di nicotina e condensato di tutte le sigarette commercializzate in Italia al 1° gennaio;

Considerato che il tenore di condensato e di nicotina menzionato sui pacchetti delle sigarette commercializzate è stato verificato in base alla norma ISO 8243, come previsto dall'art. 2, comma 2, del citato decreto interministeriale 31 luglio 1990;

Decreta:

Art. 1.

Risultano commercializzate, al 1° gennaio 2000, le seguenti marche di sigarette, elencate in ordine crescente dei relativi valori dichiarati di condensato e nicotina, aggiornati alla data di pubblicazione del presente decreto:
