Remarks:
1 Use one sheet per month, and one line per day.
2 At the end of each trip, forward a copy of the log to your correspondent or to ICCAT General House 17, Madrid 1, Spain.
3 Day refers to the day you set the line.
4 Fishing gear refers to the noon position of the boat. Round off minutes and record degrees of latitude and longitude. Be sure to record N/S and E/W.
5 The bottom line (landing weight) should be completed only at the end of the trip. Actual weight at the time of unloading should be recorded.
6 All information reported herein will be kept strictly confidential.
